Clunes - *The Next Chapter*

The Wesley College community will celebrate 21 Years of Wesley at Clunes through a major redevelopment of the campus and the launch of a refreshed Year 9 Program.

This development includes a significant upgrade to the existing Hannah Street precinct. The old historic home at 10 Hannah Street will be transformed into a demonstration kitchen overlooking a village produce garden. This will connect, via outdoor learning spaces, to new learning studios and additional student accommodation, meeting the demands of increased enrolments across the College. The studios will be the first purpose-built non-residential learning spaces at Clunes, complementing the existing student houses and historic buildings on and around the campus.

The Clunes campus was established with the financial support of alumni, parents, friends of the College and the Old Wesley Collegians Association. This exciting redevelopment will cost \$6m and the Wesley College Foundation is very pleased to provide opportunities for members of the College community to make a tax-deductible donation to celebrate the 21st anniversary of Clunes – *The Next Chapter*. Be part of the next chapter of Clunes by donating as little as \$50 towards our fundraising campaign.

The Role of Our Foundations

The Wesley College Foundation

The Wesley College Foundation was established in 1978 to assist the College with financial support, benefiting each and every one of our students.

Each year, the Foundation provides opportunities for our College community to support Wesley's philanthropic programs and enhance the experience of all those who attend our school.

The Yiramalay Foundation

In 2004, Wesley College formed a unique partnership with the Aboriginal people of the Fitzroy Valley community in the Kimberley, aiming to bring about positive change through education. The Yiramalay Foundation was established in 2013 to support the Yiramalay/Wesley Studio School.

The Foundation provides continuing financial support to the Yiramalay/Wesley Studio School, where Aboriginal and non-Aboriginal students learn side by side.

LET'S BUILD A LEGACY

2021 Annual Giving Program

The Wesley community has played a vital role in supporting the progress of our College over its 155 year history. Without the passion and commitment from parents, alumni and friends of the College, Wesley would not be where it is today.

Looking to the future, such continued support is critical to our ability to deliver a rich, academic and liberal education.

You can be part of this great legacy both now and into the future.

Please donate today.
